Feasibilities Studies for Highways K and SR

Waukesha, WIS. – Waukesha County will hold the second and final public information meeting for the feasibility studies of County Trunk Highway (CTH) K grade separation and CTH SR extension on Tuesday, March 27 at the Spring Creek Church from 4 – 7 p.m. The purpose of the meeting, which will be held in an open house format, is to provide the public with information regarding the various alternatives.

The studies will look at the feasibility and alternatives for providing a grade separation of CTH K (Lisbon Road) and the CN Railroad and extending CTH SR from STH 190 (Capitol Drive) north to CTH K. The study areas are located in the Towns of Brookfield, Lisbon, Pewaukee, and the Village of Menomonee Falls.

The Spring Creek Church is located at N35 W22000 Capitol Drive, Pewaukee. Representatives from the county's Department of Public Works, and the consultant, Alfred Benesch & Company, will be available to discuss the projects and answer questions.

For more information, please contact Mr. Ed Hinrichs, department project manager at (262) 548-7740.
